AVK Series 34 Indicator Posts

UL/FM Certificate of Compliance

This letter is to certify that all Series 34 Underground Telescopic and Wall Indicator Posts for valves 4-inches through 12-inches manufactured by American AVK Company in Minden, Nevada, meet or exceed the standards established UL and FM. The indicator posts listed with UL and ULC and are FM approved.

If you have any questions or need further information, please feel free to contact us.
